

## A SILVER & BRONZE – REWARDED FOR DEDICATION & TEAM EFFORT

The team was amazingly dedicated all season, training throughout the holiday season. The silver and bronze medals rewards their hard work, not to mention exceptional swims. Everyone contributed to the point total and each swimmer had PB performances, often times more than once during the day. In addition to their commitment, there was a tremendous display of support and spirit, an attribute characteristic of ISB swimming the past six years.

They traveled in style, swam with a positive and unbeatable attitude and came home w/the silver! Four seniors will be greatly missed – Christian, 4 year IASAS & Capt., Ben, George, & Eldar. Their contributions, strong work ethic, and perseverance to the sport over the years are valued. GOOD LUCK SENIORS!

The 4X100 Girls Relay team of Tue, Lauren, Jen, Erin. Not only individually did each girl make a difference in the team point total with finals or consolation finishes in all their events, their ability to bring it all together in the final race of the competition placed their name on the ISB record board and an overall 3<sup>rd</sup> place finish.

Joe Kaewbaidhoon – His accomplishments at IASAS represent experience, poise, and a true competitor. Two golds, two silvers, & gold medalist on the 4X100 Medley, he places his name on the ISB record board for the 2<sup>nd</sup> time in the 400 free and was voted Most Valuable Swimmer.

Senior Captain Tue – 4 year IASAS athlete, 3 year captain, and awarded most valuable swimmer for the 2<sup>nd</sup> year in a row. Her name can be seen on the ISB record board for two relays yet she will be most remembered for her leadership, talent, outstanding work ethic, and team pride.

Senior Carly – 4 year IASAS swimmer competed in the distance events - only few get excited about. Way to go! Good Luck SENIOR GIRLS.
