

A Girl Who Loved Her Team

It is a fitting expression when you take a moment to reflect back on Julie Yeung and her years at ISB. We are forever saddened by the loss of one of our alumni swimmers at such a young age. Her life may have not been perfect yet, one thing is for sure, Julie loved her team. The attached photos share a special time in her life. In memory of Julie, know that if you were part of those swimming years, you made a difference in her life. To Julie.....with love
