## A Message from the Coordinator:

Welcome to this Semester's Activity Program at ISB Elementary School.

ISB's ES Explore Program brings students and adults together for a series of nine (9) co-curricular activities sessions that are wonderful learning experiences that are also fun.

ISB's ES Explore program is designed to give our students an opportunity to explore and develop new interests.

The Registration Fee for **each activity** is 2,500 baht/Semester. The only **exception are** Taekwondo with a fee of 4,700 baht/Semester and Friday's activities (only 8 sessions) with a fee of 2,200 baht/semester.

We encourage Pre-K and Kindergarten children to participate in after school activities. To help ensure the safety of our youngest students, we ask parents to make arrangements to have their child escorted from the classroom to any Activity they enroll in. The escort may be a parent, maid, driver or sibling. The Pre-K or K child's teacher should be informed of the escort arrangements.

Activities will begin the week of Monday, September 18<sup>th</sup>.  
ALL Pre-K Activities run from 1:20 p.m. – 2:20 p.m.

K – Gr. 5 Activities run from 2:35 p.m. – 3:35 p.m. **On Early Dismissal Tuesdays please note that activities will run one hour earlier from 1:25- 2:25.**

For ES transport students, Montri Transportation Company will provide bus/van services at 3:50 p.m. (on Tuesdays bus will leave at 3:30). As the Activities Lists are finalized, the ES Activities Office will forward a listing of those children taking Activities to ISB's Montri Office. Montri will then issue modified bus passes. **If your child will not be riding their bus on a given Activity day as scheduled, please inform Montri.** For more information, please contact the Transportation Office (02-9635800 ext. 7704, 7706).

Here's to wonderful enjoyable learning time in the ISB ES Explore program.

## ES AFTER SCHOOL ACTIVITIES REGISTRATION PROCEDURES

Please register online, print your form and along with your payment in **exact cash** or **check** for the **total amount** of your **First Choice Activities**. Please **submit your money and forms in the RED BOX** at the Community Activities Office on **September 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> between 7:30 a.m. and 3 p.m.**

Make checks payable to *International School Association*. To help ensure payment credit, please write your child's name at the bottom of your check.

The Registration Fee for each activity is 2,500 baht. The only exceptions are Tae Kwon Do, which meets twice a week and has a fee of 5,000 baht/semester and Friday's activities that will have only 8 sessions, fee of 2,200 baht/semester.

If at all possible, for each day you register; please list a **First and Second** Choice selection for your child. If any of your child's First Choices are oversubscribed, this will greatly assist us in placement.

It is important that you meet the "on time" deadline September 6<sup>th</sup>. Registration forms submitted *after* September 6<sup>th</sup> will be processed only for activities that have not reached the maximum enrollment.

For many of our activities, the number of participants is limited. In order to be as fair as we can to all our students who wish to participate in the After School Activities, the following procedures have been established. If more students apply for an activity than there is room for, the procedure for selecting students for the activity will be:

- 1) Upon the close of registration the ASA coordinator will go through the list of students applying for each activity.
- 2) If the number of applicants exceeds the listed maximum enrollment for an activity, the coordinator will then randomly draw names from the list. (For second semester, consideration will be given to students who are applying for an activity that was unsuccessfully granted in semester one.)
- 3) If a child is not placed in their 1<sup>st</sup> Choice he/she will be placed in their listed 2<sup>nd</sup> choice activity for that day providing that the activity has not reached maximum enrollment. If the replacement activity is also full, you will be contacted to make another choice.

- 4) If an Activity has not reached the minimum enrollment of ten/twelve (10/12) during the initial phases of Registration, it will be cancelled. You will be contacted and your child will be offered the opportunity to register for another Activity.
- 5) If you are not contacted, you may assume that your child has been placed in either his 1<sup>st</sup> or 2<sup>nd</sup> choice activity for each day. No news is good news!

Your child's Activity Schedule and conformation of placement will be available online on your child's powerschool page on **Friday, September 15<sup>th</sup>**.

Despite our best efforts, the match between Activities and children may not always work out like we hope. If your child needs to withdraw from an Activity, please contact the ES ASA Coordinator directly. This must be done **before** the ASA schedule has started.

There is a NO REFUND policy for ASA. If your child wishes to switch ASA choice we would ask that this be done prior to the 3<sup>rd</sup> ASA session. However, exception may be made at desiccation with the ES ASA coordinator.

**NOTE: ES Explore does not encourage parent observation unless invited specifically by the instructor.**

**Activity: Yoga for Kids**

**Grades: 1 - 5**

**Day(s) Offered: Monday**

**Instructor: Tali Benzvi**

Yoga is a wonderful way for kids to get connected with their bodies. Yoga stretches kids' bodies and minds, and boosts their confidence. It can help bring active minds into union with active bodies, and can help kids learn to calm both. Kids feel empowered by their ability to learn new poses, stretch into new positions, and stabilize their minds in a non-competitive environment.

Yoga can build stronger bodies and make kids more limber. It can teach kids new ways to relax and calm themselves when they feel stressed (which they often do in today's world.)

With Tali's Yoga, kids can have fun, stretch their imaginations, play and have an insight into language in a relaxed environment.

**Special Note: Please ensure your children wear comfortable clothing.**
