

International School Bangkok

Dear ISB Community,

The Ministry of Education has announced that schools are required to put in place a mandatory 14 day self-quarantine for anyone returning to Thailand from the following countries and territories: China, Japan, South Korea, Singapore, Taiwan, and Hong Kong. We expect to receive the official notification tomorrow.

If your family travelled to one of these six locations, please respond to the questions [on this form](#) so we can plan support for students and family members who are required to be away from school for this quarantine period.

ISB will plan home learning for those students unable to attend school. Divisional principals will be in touch shortly with further details.

ISB's Requirements for Our Community

- ISB requires that anyone who has travelled to mainland China, Japan, Hong Kong, Singapore, South Korea and Taiwan undertake a self-quarantine period of 2 weeks (14 Days) from their return date to Bangkok and not to attend school or come on campus until the quarantine period has ended.
- ISB also requires that parents check their children's temperature before they are sent to school and if a fever is detected to keep your child at home - CDC guideline is 38 celsius or more (100.4 fahrenheit). This also applies to all adults.

International School Bangkok

- Children and adults who are unwell must not come to school - particularly those with fever or respiratory issues.

Communications

To help with communication we have created a page on our website linked [here](#). ISB community members are able to access all communications from the school, some FAQs, and links to reliable sources in one place.

We understand the importance of staying informed and we will continue to communicate with you throughout the break. This is a fluid situation and there may be further developments before school begins again.

Thank you for your support and patience as we all work through this together. Feel free to reach out to anyone below if you have questions, ideas, or information to share.

Sincerely,

Andrew Davies - Head of School - andrewd@isb.ac.th

Mark Hevland - Director of Risk Management - markh@isb.ac.th
