

International School Bangkok

Information about COVID-19 (Communication 29)

Dear ISB Community,

School Closure

We have no further news or indication as to when international schools might be able to reopen. We remain in regular contact with the Ministry of Education and will communicate as soon as we learn more.

If you are temporarily leaving Thailand

Should your family choose to temporarily leave Thailand, we ask that you notify your principal or counselors to inform them of your intended destination. Our students are, of course, able to remain part of ISB Virtual School no matter where they are. Knowing where they are located will allow us to better support their learning. Please take note of the [regulations for reentering Thailand](#).

ISB Virtual School

A reminder that we will be pausing ISB Virtual School on Monday, 23rd March and teachers will **not** be online for Virtual School. Faculty will be spending the day planning for this extended period of virtual learning. Virtual classes will resume on Tuesday.

Social / Physical Distancing

A current topic is that of social / physical distancing and appropriate interactions as this is a time for us to be highly aware of our responsibilities toward the larger community. The guidelines provided by [Johns Hopkins](#) and the [WHO](#) include: maintain distance between individuals (one to two meters), avoid large groups, work from home, and maintain proper hand washing and respiratory hygiene.

International School Bangkok

Important Reminders

- If someone in your household (or someone you have come into close contact with) has tested positive for the virus, please inform the school immediately.
- [Self quarantine](#) procedures are still in place and must be followed by all household members of people who have travelled to those areas designated by the MoPH / MoE as Disease Infected Zones and Countries with Ongoing Local Transmission.

As soon as we hear any updates, we will be in touch with the ISB community.

Kind regards,

Andy
