

International School Bangkok

Information about COVID-19 (Communication 34)

Dear ISB Community,

As the weekend approaches, please find a few updates and reminders below.

Government Updates

Thailand has imposed a nationwide curfew from 10pm to 4am, starting today, Friday 3rd April 2020.

Webinar with ISB Administration Friday 3rd April at 11:00am

Thank you to those who joined us for our webinar **Q&A with the ISB Administration** this morning and for the questions and comments. For those questions we were unable to address in the live webinar, we will either contact individuals directly or collate the questions and provide a Q & A document. The recorded video can be found on the [ISB Parent Portal](#) for those who missed it.

MAP Testing

On account of the current situation and the move to virtual learning, ISB will not be administering the MAP test this spring. In a [statement](#) published in March, NWEA does not "recommend that schools who have traditionally tested in a brick and mortar classroom make the shift to virtual testing." We will resume our MAP assessments when we are back in school again, most likely, for the fall MAP session.

Parent Feedback

Divisional eNews messages today included a link to our second parent feedback survey. We welcome your input and ask you to take a few moments to respond so that we can continue to improve the virtual learning experience for our students.

Important Reminders

- Should someone in your household (or someone you have come into close contact with) test positive for COVID-19, please notify the school immediately
- Please be reminded of the [self-quarantine requirements](#) in place for those who have traveled to countries as specified by the [Ministry of Public Health](#).

International School Bangkok

- This is a reminder that we have a responsibility to fellow members of our ISB, Nichada and global community to practice [social and physical distancing](#) at this time.
- Please ensure flexibility with summer plans in the event that a two week self quarantine period is required before school starts.
- We have made some revisions to the ISB Calendar for the remainder of this school year. Please click [here](#) for the communication and [here](#) for the revised calendar.
- We continue to add resources to the following pages on our website: [ISB Virtual School](#), [COVID-19 Updates](#)

Thank you once again for all of your support, understanding and cooperation. Although school might be physically closed we are all here to help everyone in our community.

Kind regards,

Andy
