## Opening Campus

A reminder that ISB is planning to start school according to our currently published [2020-2021 calendar](#) - with the first day of school for students on **August 10.**

We will keep you informed should this change depending on the situation in Thailand and the directives from the government.

Substantial work is taking place for safety preparedness and this will continue in the weeks ahead with the help of our safety advisors in Singapore, Thailand and the US. We are also waiting for the conditions set out by the government related to the reopening of schools in the Kingdom.

## Other Communication

Please know that you can reach out to us by email at any time. We are also happy to talk on the phone or Zoom with individuals or groups. We really value talking to our parents and looking to see how we can help.

## Important Reminders

- Should someone in your household (or someone you have come into close contact with) test positive for COVID-19, please notify the school immediately
- Should your family choose to temporarily leave Thailand, we ask that you complete the survey that is linked in the [Parent Portal](#).
- This is a reminder that we have a responsibility to fellow members of our ISB, Nichada and global community to practice [social and physical distancing](#) at this time.
- In these difficult times please know that our teachers, administrators, counselors and psychologists are here to support you.

We thank you for your ongoing support of your children's learning and for ISB. If you have any questions please feel free to contact any of us.

Kind regards.

Andy
