COVID-19 Updates - January 2nd 2021 - Extended Closure

Dear ISB Community,

We wish you a very Happy New Year.

Please find some important updates below.

The Governor of Nonthaburi has ordered that all schools within the province must remain closed until **Monday, 18th January**.

We will initiate Virtual School beginning Monday 11th January and divisional principals will be in touch with details on Wednesday 6th January.

The ISB campus will remain closed to the community through **January 17th**. No on campus activities will take place. All staff and contractors entering the ISB campus are completing self declarations.

We are in regular contact with the Nonthaburi Governor's office, the Ministry of Education, and the Ministry of Public Health and will communicate further when we know more.

We continue to update our webpage ([linked here](#)) with our COVID-19 related communications and resources.

Updated Self Declarations

Please note that all ISB community members (parents and staff) will need to complete new self declarations prior to campus reopening. A link will be sent to the ISB community addressing any impacted locations and other requirements.

We recommend that ISB families keep a log of places visited in the event that this is required for contact tracing purposes.

Government Recommendations

With a steady increase in recent cases, the Government is recommending that unnecessary travel between provinces be avoided and that travel does not take place to high-risk areas.

International School Bangkok

We would like to reiterate the Ministry of Public Health's recommendations on vigilant mask wearing, social distancing, hand washing, and use of the Thai Chana application.

If you have questions about the current situation in Thailand, please feel free to contact us (information provided below).

Our hope is that this will be a short school closure.

All the best,

Andy

Dr Andrew Davies, Head of School
