COVID-19 Updates - January 21, 2021

Dear ISB Community,

Please find some ISB updates below.

School Reopening News

Although we have had no official news, we are cautiously optimistic for a campus reopening on Monday, February 1st. In preparation, we have been updating our safety protocols and planning the logistics for a smooth return to in person learning on campus.

We strongly recommend that all household members avoid any travel to Chanthaburi, Chonburi, Rayong, Samut Sakhon and Trat provinces. It is highly probable that we will deny entry to campus for all family members in the event that a household member has travelled to these provinces in the past 14 days.

As soon as we receive official news regarding the reopening of campus, we will let our community know and follow up with a communication detailing safety measures and a self declaration form to complete.

Virtual School

We thank you for your continuing support during this return to virtual school. Please stay in touch with teachers and divisional administrators if you have any questions.
