A Message from the Coordinator:

Welcome to this Semester's Activity Program at ISB Elementary School.

ISB's Panther (ES) Explore Program brings students and adults together for a series of Ten (10) co-curricular activities sessions that are wonderful learning experiences that are also fun.

ISB's Panther (ES) Explore program is designed to give our students an opportunity to explore and develop new interests.

The Registration Fee for **each activity** is 3,000 baht/Semester. The only **exception is Taekwondo** with a fee of 6,000 baht/Semester and **Tournament of Minds that is considered part of the ES Academic program, so it carries no charge.**

We encourage Pre-K and Kindergarten children to participate in after school activities. To help ensure the safety of our youngest students, we ask parents to make arrangements to have their child escorted from the classroom to any Activity they enroll in. The escort may be a parent, maid, driver or sibling. The Pre-K2 or K child's teacher should be informed of the escort arrangements.

Activities will begin the week of Monday, February 17th.

ALL Pre-K2 Activities run from 1:20 p.m. – 2:20 p.m.

K – Gr. 5 Activities run from 2:35 p.m. – 3:35 p.m. **On Early Dismissal Tuesdays please note that activities will run one hour earlier from 1:25- 2:25.**

For ES transport students, Montri Transportation Company will provide bus/van services at 3:50 p.m. (on Tuesdays bus will leave at 3:30). As the Activities Lists are finalized, the ES Activities Office will forward a listing of those children taking Activities to ISB's Montri Office. Montri will then issue modified bus passes. **If your child will not be riding their bus on a given Activity day as scheduled, please inform Montri.** For more information, please contact the Transportation Office (02-9635800 ext. 7704, 7706).

Here's to wonderful enjoyable learning time in the ISB ES Explore program.

ES EXPLORE PROGRAM NEW REGISTRATION PROCEDURES

We are excited to introduce the NEW online registration system for the ES Explore program. This will be an exciting challenge for both parents and the program. We are aware there might be some technical issues, we ask for your patience during this start up period.

The ES Explore Program offers a selection of Activities for ISB ES students. The Registration Fee for each activity is 3,000 baht. The only exception is Tae Kwon Do, which meets twice a week and has a fee of 6,000 baht/semester. Activities will start on Monday, February 15th.

Registration opens 3pm Friday, January 29th.

To register:

1. Login into Powerschool. Select CHQ system.
2. Select your choice-
 - “1” is your first choice,
 - “2” is your second choice.
3. Save your choices (you will be prompted to submit them).
4. Changes are possible before the deadline (please repeat steps 1 to 3).

Deadline 3pm Wednesday, February 3rd.

Late registration submitted *after* February 3rd will be processed only for activities that have not reached the maximum enrollment.

For many of our activities, the number of participants is limited. In order to be as fair as we can to all our students who wish to participate in the After-School Activities, the following procedures have been established. If more students apply for an activity than there is room for, the procedure for selecting students for the activity will be:

- 1) Upon the close of registration, the system selects the students on a **random** basis.
- 2) Where a class is oversubscribed children will be placed in their 2nd Choice for that Day. If the replacement activity is also full will be contacted to make another choice. If you did not select a 2nd Choice your child will be placed on a waiting list.

- 3) If an Activity has not reached the minimum enrollment of ten (10) during the initial phases of Registration, it will be cancelled. You will be contacted and your child will be offered the opportunity to register for another Activity.
- 4) You will receive a confirmation email by **February 4th along** with payment instructions. Payment can be made online by credit card after you have received a conformation email.
- 5) Payment must be done by **3pm on Monday, February 8th**. After this time, children on the waiting list will be offered unpaid spots.

Your child's Activity Schedule and conformation of placement will be available online on your child's PowerSchool page on **Friday, February 12th**.

Despite our best efforts, the match between Activities and children may not always work out like we hope. If your child needs to withdraw from an Activity, please contact the ES Explore Coordinator directly. This must be done **before** the ES Explore schedule has started.

There is a NO REFUND policy for ES Explore. If your child wishes to switch ES Explore choice we would ask that this be done prior to the 3rd session. However, exception may be made at desiccation with the ES Explore coordinator.

NOTE: ES Explore does not encourage parent observation unless invited specifically by the instructor.

Monday Activities

Dates:	February 15
	March 1, 8, 15, 22, 29
	April 5, 19, 26
	May 3
Activity	Grades
Amazing Science	K - 1
Badminton	4 - 5
Chess	1 - 5
Coding Class	4 - 5
Paper Folding (Origami)	1 - 5
Watercolor Painting class	2 - 5
Zumba ® Kids	K - 5

Tuesday Activities

Dates:	February 16*
	March 2, 9, 16, 23, 30*
	April 20, 27*
	May 11, 18
Activity	Grades
Amazing Science	2 – 3
Basketball Fun	3 – 5
Chess	1 - 5
Creative Art Project	1 – 4
Fun with Paint	1 - 4
Glass Painting	1 – 5
Product Design	2 – 5
Tae Kwon Do (meets Tuesday & Friday)	K – 3

***Early Dismissal: Activities will run one hour earlier from 1:25-2:25.**

Wednesday Activities

Dates:	February 17
	March 3, 10, 17, 24, 31
	April 7, 21, 28
	May 5
Activity	Grades

Instructor: Khun Somsa

Get your building skills ready for this year's Lego Challenge class. This class will get to build animals, cars, castle and more..."

Activity Cost: 3,000

~ ~ ~ ~ ~

Activity: Lego Robotics Introduction

Grades: 3 – 5

Day(s) Offered: Wednesday

Instructor: Mark Marshall

Description: Interested in having your child learn more about robotics, coding, innovation and engineering? This activity is an introduction to the amazing world of Lego Robotics and to get students excited about coding and robotics. This will be an introduction to the huge global [FIRST Lego League program](#) and begin building a team for the following school year. All robotics will be done using the brand [new Spike Prime](#) and all coding done using student iPads. Students will learn the basics of building a reliable robot while using sensors and create attachments to solve various missions from this [year's Replay theme](#). In addition to coding and building, students will most importantly learn how to collaborate, work as a team and have fun! No coding or prior robotics skills needed, just a curiosity to learn!

Activity Cost: 3,000

Additional Costs: 500 Baht for the end of the semester project presentation costume.

~~~~~

**Activity: Product Design**

**Grades:** 2 – 5

**Day(s) Offered:** Tuesday

**Instructor:** Banjong Boonchoo

Students will design a desk top lamps for the 1st project using metal rods and soft wire to form the structure frame, create the designed lamp with paper clay. The 2nd project is the "steady hand game "using brass rods to create the shape before attaching to the base. Both projects students will be gained about the LED circuit and wiring experiences.

**Activity Cost:** 3,000

~~~~~

Activity: Paper Folding (Origami)

Grades: 1 - 5

Day(s) Offered: Monday

Instructor: Marivic Pinrojna

Students will use the art of paper folding to make various projects such as mobiles, greeting cards and other interesting creative arts.

Activity Cost: 3,000

Activity: Tae Kwon Do

Grades: K - 3

Day(s) Offered: Tuesday & Friday

Instructor: Master Chuchai

Learn Tae Kwon Do for Physical fitness, Self confidence, Self Defence, Discipline and respect. School Motto: Built true confidence through knowledge in mind, honesty in heart and strength in body, keep friendships with one another to built a strong and happy community and never fight to achieve selfish ends but develop might for right.

Special Note: Classes are held twice a week at a cost of 5000 Baht/semester. Classes are open to beginners and advanced levels.

Activity Cost: 6,000

Additional Costs: TKD uniform is required and available through the instructor at 500 Baht and TKD belt test fee is 500 Baht.

Activity: Theater Games

Grades: K - 2

Day(s) Offered: Friday

Instructor: Marlene Stearns

Students are invited to leap into acting through fun theatre games and exercises that spark their creativity and increase their confidence. Theatre skills empower kids to develop every part of themselves: their imagination, articulation and projection, balance and spatial awareness body coordination, self-discipline, breath control, social intelligence, group

dynamics, adaptability, and memorization skills. Students will be able to apply theatre skills and confidence learned in workshops to the successful navigation of their daily lives.

Activity Cost: 3,000

~ ~ ~ ~ ~

Activity: Tournament of Minds

Grades: 4 - 5

Day(s) Offered: Wednesday

Instructor: Jill McHale

Tournament of Minds (TOM) is a creative problem-solving competition for teams of students from the Elementary School. It is an opportunity for students with a passion for developing thinking skills and solving authentic problems in exciting, creative and collaborative ways. In 'usual years', teams work together to solve an open-ended challenge and compete against teams from other schools at the Bangkok Tournament.

Please note: this year this activity will be a practice opportunity and will include in-house team challenges that will hopefully lead to future participation against other schools.

For more information, contact Jill McHale at jillmc@isb.ac.th

This activity is free of charge.

~ ~ ~ ~ ~

Activity: Watercolor Painting

Grades: 2 - 5

Day(s) Offered: Monday

Instructor: Khun Banjong Boonchoo

Enjoy landscape, Seascape and cityscape painting using water colors.

Activity Cost: 3,000

~ ~ ~ ~ ~

Activity: Woodworking

Grades: 2 - 5

Day(s) Offered: Thursday

Instructor: Banjong Boonchoo

Design your own personal items such as tape dispenser, mobile phone stand and small games out of beautiful rubberwood.

Activity Cost: 3,000

Activity: Zumba ® Kids

Grades: K - 5

Day(s) Offered: Monday / Wednesday

Instructor: Ynna Millana and Heather Clary

Perfect for boys & girls in Grades K - 5. This program offers the children the chance to be active and “jam” to music. Aside from not requiring any previous dance training, Zumba Kids is also designed to appeal to children who are not attracted to traditional physical activities and team sports. Classes incorporate enjoyable activities that also promote childhood development elements like respect, leadership and teamwork, confidence, creativity and cultural awareness.

Activity Cost: 3,000

The following programs are **NOT** part of the ES After School Activities program. They are listed here for your information. For more information about enrollment, please contact the Community Activities Office (CAO).
