Reopening Update: 23 September 2021

Dear ISB Community,

Potential Reopening of School Campuses – Latest News

Our school inspection took place yesterday and we are now awaiting written approval from the Nonthaburi Government to reopen campus to students. We are cautiously optimistic that approval will be forthcoming.

Wednesday 29th September remains the earliest possible date that we can reopen for classes on campus.

We are planning for an asynchronous learning day for students on **Tuesday 28th September** while faculty undergo safety training, complete classroom setup, and prepare for hybrid learning. Teachers will be communicating with students regarding the expectations for this day.

We will confirm these dates as soon as we know more.

Initial ATK Testing FRIDAY 24th SEPTEMBER – Very Important

For students planning to return to on campus learning:

1. Take an ATK test on the morning of Friday 24th September and report on the ATK Form between 7:00am and 11:00am. This test should be taken even if we do not yet have government approval.
2. Results (positive or negative) are then to be uploaded on the [ATK Form](#). The ATK Form passcode will be sent to you by SMS and email later today. If you did not receive this passcode, please email help@isb.ac.th
3. The next ATK must be administered on Tuesday 28th September from 4:00pm and 8:00pm, also with results uploaded on the ATK Form. This will start our pattern of twice weekly testing on Tuesdays and Sundays.
