ISB Update: 21 October 2021

Dear ISB Community,

Campus Reopening Update

With a successful return to on campus learning at 50% capacity, we are now seeking permission to welcome 100% of students on campus each day. Current indications from the Nonthaburi Government are that the earliest this will be possible is Monday 15th November. We will continue our dialog and be in touch again when we have more concrete news.

Currently, 90% of students are learning on campus. Beginning this week, we are running some activities and athletics by cohort and it has been great to see active and happy students exploring their passions.

A reminder that we will continue to provide virtual learning until the December break for those students who cannot participate in on campus learning. Should any student be unable to return to on campus learning when school reopens on January 10th, we ask that parents contact the appropriate principals to discuss the learning plan and timeline for their students.

ATK Testing - Important

A reminder that ATK testing now takes place on **Sundays and Wednesdays** between 4:00pm and 8:00pm - with results uploaded on the [ATK Form](#) within that same timeframe. If you need assistance with the ATK Form, please write to help@isb.ac.th
