**ISB Update: 11 November, 2021**

Dear ISB Community,

## **Campus Reopening Update**

We have really enjoyed welcoming almost all students (93%) back on campus and our various COVID protocols are working well. We are very grateful for all of your cooperation.

## **Virtual Board of Trustees Meeting Tuesday 16th November at 6:00pm**

We will be holding a virtual Board of Trustees meeting on Tuesday 16th November at 6:00pm that will be streamed to interested community members. Please find the agenda linked [here](#). At the end of the meeting, to reflect a regular in person BOT meeting, we will invite ISA community members (parents) to ask questions through the Q and A function on Zoom. A moderator will review the questions as they come in and we will prioritize the most frequently requested topics. Participants will need to register [here](#) in order to participate.

## **ATK Testing - Important**

A reminder that ATK testing takes place on **Sundays and Wednesdays** between 4:00pm and 8:00pm - with results uploaded on the [ATK Form](#) within that same timeframe. If you need assistance with the ATK Form, please write to [help@isb.ac.th](mailto:help@isb.ac.th).

**Important reminder:** The testing and reporting are tied to our access processes, so students must have a completed ATK testing form submitted every Sunday and Wednesday to enter campus. If a student's ATK test has not been reported, parents will be contacted and students may have to go home until the test is completed and the form submitted. This is a critical part of our safety plan and we must enforce it 100%. Thank you for your support.
