ISB COVID Update: 3 February 2022

Dear ISB Community,

Please find some updates below.

COVID-19 ISB Community Update

- We have learned of 3 new positive student cases this week (grades 4, 8 and 9) and no new cases within our faculty & staff.

Vaccine Updates

We anticipate students aged 5-11 who have registered previously with one of our surveys will be vaccinated around the third week of February. We are hoping to host vaccinations on campus with our partner hospital.

On February 15th at 5.30pm, the ISB Health Center will host a webinar on Vaccination for Kids presented by a Pediatric Allergy & Immunology Specialist from Bumrungrad International Hospital. Interested parents may register [here](#).

As the Health Center receives updates with regards to boosters for students aged 12-18, individual parents who have registered will be contacted. For inquiries about sign ups, please reach out to the ISB Health Center (isbnurse@isb.ac.th).

Test & Go/Sandbox Returnees

Any students, staff members and other campus visitors who have returned to Thailand through the Test and Go or Sandbox schemes should not come to campus until they have received a negative result on their second PCR test (on Day 5). This will apply to any community member who travels abroad over the February break.

International School Bangkok

Those who are or were abroad and have recovered from Covid-19, please reach out to the Health Center (isbnurse@isb.ac.th) for documents needed to enter campus.

Updated Campus COVID Safety Plans

Please click [here](#) to access our updated campus COVID safety plans ("Safely Learning on the ISB Campus 2022") and risk matrix.

If you have questions, please reach out to any of us listed below.

All the best,

Andy
