## A Message from the Coordinator:

Welcome to this Semester's Activity Program at ISB Elementary School.

ISB's ES Explore Program brings students and adults together for a series of Ten (8) co-curricular activities sessions that are wonderful learning experiences that are also fun.

ISB's ES Explore program is designed to give our students an opportunity to explore and develop new interests.

The Registration Fee for **each activity** is 4,000 baht/Semester. The only **exception is** Taekwondo with a fee of 8,000 baht/Semester.

We encourage Kindergarten children to participate in afterschool activities. To help ensure the safety of our youngest students, **we ask parents to make arrangements to have their child escorted from the classroom to any Activity they enroll in.** The escort may be a parent, maid, driver or sibling. The KG child's teacher should be informed of the escort arrangements.

Activities will begin the week of Monday, August 29<sup>th</sup>.  
ALL KG - G5 Activities run from 2:40 p.m. – 3:40 p.m.

K – Gr. 5 Activities run from 2:40 p.m. – 3:40 p.m. **On Early Dismissal Wednesdays please note that activities will run one hour earlier from 1:25- 2:25.**

For ES transport students, Montri Transportation Company will provide bus/van services at 3:50 p.m. (on Wednesdays the bus will leave at 2:30). As the Activities Lists are finalized, the ES Activities Office will forward a listing of those children taking Activities to ISB's Montri Office. Montri will then issue modified bus passes. **If your child will not be riding their bus on a given Activity day as scheduled, please inform Montri.** For more information, please contact the Transportation Office (02-9635800 ext. 7704, 7706).

Here's to a wonderful enjoyable learning time in the ISB ES Explore program.

## ES EXPLORE PROGRAM **NEW** REGISTRATION PROCEDURES

We are excited to introduce the NEW online registration system for the ES Explore program. This will be an exciting challenge for both parents and the program. We are aware there might be some technical issues, we ask for your patience during this start up period.

The ES Explore Program offers a selection of Activities for ISB ES students. The Registration Fee for each activity is 4,000 baht. Activities will start on Monday, August 29<sup>th</sup>.

Registration opens on August 15-25/8/2022

For many of our activities, the number of participants is limited. In order to be as fair as we can to all our students who wish to participate in the After-School Activities, the following procedures have been established. If more students apply for an activity than there is room for, the procedure for selecting students for the activity will be:

- 1) Upon the close of registration, the system selects the students on a **random** basis.
- 2) Where a class is oversubscribed children will be placed in their 2<sup>nd</sup> Choice for that Day. If the replacement activity is also full will be contacted to make another choice. If you did not select a 2<sup>nd</sup> Choice your child will be placed on a waiting list.
- 3) If an Activity has not reached the minimum enrollment of ten (10) during the initial phases of Registration, it will be canceled. You will be contacted and your child will be offered the opportunity to register for another Activity.
- 4) Payment must be done by TBP. After this time, children on the waiting list will be offered unpaid spots.

Your child's Activity Schedule and conformation of placement will be available online on your child's PowerSchool page.

Despite our best efforts, the match between Activities and children may not always work out like we hope. If your child needs to withdraw from an Activity,

please contact the ES Explore Coordinator directly. This must be done **before** the ES Explore schedule has started.

There is a NO REFUND policy for ES Explore. If your child wishes to switch ES Explore choice we would ask that this be done prior to the 3<sup>rd</sup> session. However, exceptions may be made at desiccation with the ES Explore coordinator.

**NOTE: ES Explore does not encourage parent observation unless invited specifically by the instructor.**

Monday Activities	
<b>Dates:</b>	<b>August 29</b>
	<b>September 5, 12, 19, 26</b>
	<b>October 3, 17, 24</b>
<b>Activity</b>	<b>Grades</b>
Amazing Science	K - 2
Chess	1 - 5
Coding class	1 - 2
Watercolor Painting class	2 - 5

Tuesday Activities	
<b>Dates:</b>	August 30
	September 6, 13, 20, 27
	October 4, 18, 25
<b>Activity</b>	<b>Grades</b>
Chess	1 - 5
Product Design	2 - 5
Zumba	K - 5

Wednesday Activities	
<b>Dates:</b>	<b>August 29</b>
	<b>September 7, 14, 21, 28</b>
	<b>October 5, 19, 26</b>
<b>Activity</b>	<b>Grades</b>
